

CYS Series Specifications
Cast Iron Wye Strainer

PRODUCT DESCRIPTION: The **CYS** is a flange x flange end wye strainer. The cast iron wye strainer has standard ANSI Class 150# flange ends. The wye strainer comes standard with a stainless steel filter element, two ¼" plugs, a ½" plug, a plugged ¾" blow-off connection, and a flanged blow-off cover with an EPDM o-ring. Accessories (pressure/temperature ports, manual air vents, and drain valves) are available for an additional cost.

Body	Gray Iron Casting ASTM A126 Class B
Cap	Gray Iron Casting ASTM A126 Class B
Filter	Stainless Steel A276
O-Rings	EPDM Rubber
¼" Plug	Ductile Iron Casting ASTM A536 60-40-18
½" Plug	Ductile Iron Casting ASTM A536 60-40-18
¾" Plug	Ductile Iron Casting ASTM A536 60-40-18
Bolt	Carbon Steel ASTM A307
Nut	Carbon Steel ASTM A307
Specification information is provided to assist and is given without obligation or warranty. The Company reserves the right to make changes in design, materials, and/or specifications without notice or liability.	

PRODUCT SPECIFICATIONS:

- Stainless steel screen aids in filtering dirt, rust, and debris in the piping system and may be removed for cleaning
- Raised-face flange ends aid in tight coupling with gaskets to provide maximum resistance to leakage
